

Essential

The chair stairlift for straight staircases

The Essential stairlift is one of the easiest ways to stay in your home and enjoy the freedom of barrier-free living. Installed on your stairs, in only a few hours, the stairlift carries you smoothly and quietly up a straight flight of stairs.

The Essential stairlift is uniquely compact – with the slimmest fold-up dimension on the market at only 270 mm wide – to allow easy access to the stairs when the lift is not in use.

With safety features including a retractable seatbelt, overspeed governor and obstacle sensor system, you can count on your stairlift. Finished in soft white with an unobtrusive design, the Essential blends easily into your home décor.

Constant charge make the lift available at all times

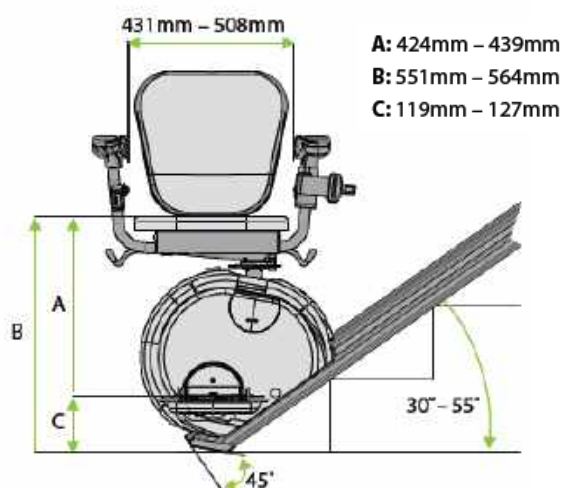

Rack and pinion drive ensures stable and safe drive up the stairs

Ultra slim folded with of only 273 mm leaves maximum clearance on narrow staircases

Essential - Technical Specification

Loading capacity	160 kg
Stair anlg	30 - 55°
Lifting speed	0,08 m/s
Motor	24V DC, battery driven
Drive system	Rack and pinion
